

What was the
best part about
your day?

What was the worst
part about your
day?

What did you
learn today?

If you could travel
anywhere, where
would it be?

What made you
laugh today?

If you could be one
character from a
book, who would
you be?

What is a weird habit
you have?

What is something
you like to do by
yourself?

What does the
perfect day look
like to you?

What would you be
famous for?

What superpower
would you choose?

What is your
biggest fear?

What is your favorite
family tradition?

What are you
grateful for today?

What is your least
favorite chore?

What is your
favorite meal?

What is one thing
you can't live
without?

If you could be King
or Queen, what
would you do first?

If you could travel
back in time,
where would you
go?

If you could stay up
all night, what
would you do?

What two things
would you grab if
the house was on
fire?

If you were
invisible for a day,
what would you
observe?

If you have to live in
another country,
where would you
live?

If you could only
eat three foods for
the rest of your life,
what would they
be?
